These newspaper advertisements for construction permit applications will be published on one of the following dates: August 6-9, 2018. Public notices are generally published every week. The previous publication of public notices was August 2, 2018.

#### PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-03-09-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mrs. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15<sup>th</sup> Floor, Nashville, Tennessee 37243 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Any individuals with disabilities who wish to participate in these proceedings or to review these filings should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such initial contact may be in person, by writing, telephone, or other means, and should be made no less than ten (10) days prior to the hearing, or the date such party intends to review such filings, to allow time to provide such aid or service. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 2<sup>nd</sup> Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (866) 253-5827 (toll free) or (615) 532-0200. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

The applicant is Life & Legacy Cremation Center, LLC with a mailing address of 1402 Tuckaleechee Pike , STE 102, Maryville, TN 37803. They seek to obtain an air contaminant permit (Division identification number 05-0380-01 / 974484) for construction of a Human Crematory Operation located at the same location. This proposed operation would consist of a crematory and associated equipment used to incinerate human remains. Natural gas would be used for fuel. An afterburner, secondary chamber temperature monitor, and opacity monitor would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. J. Dolzen is the assigned Division person.

For the Blount County “*Maryville Daily Times*”, August 6, 2018.

---

The applicant is H & H Rock, Inc. with a mailing address of 4400 Brittsville Road, Georgetown, TN 37336. They seek to obtain a construction permit (Division identification number: 61-0046-08/74130) for construction of a Rock Crushing and Sizing Operation located at 4400 Brittsville Road, Georgetown, TN 37336. This proposed operation would consist of a Track Mounted Impact Crusher and Screener with associated conveyors. The crusher and screener would each be powered by a Diesel Engine. Wet suppression would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. H. Flores is the assigned Division person.

For the McMinn County “*Daily Post-Athenian*”-- August 9, 2018.

---

The applicant is BWI MTN II, Inc. - dba Blue Water Industries - (Lebanon Quarry) with a mailing address of P.O. Box 15005, Knoxville, TN 37901. They seek to obtain an air contaminant permit (Division identification number 95-0106-01 / 974435) for modification of

their rock crushing operation located at 2147 Murfreesboro Road (U.S. Hwy. 231), Lebanon, TN 37090. This existing operation consists of crushers, screens, conveyors, and associated equipment used to produce crushed rocks. Wet Suppression system is used for pollution control. The requested modification is for the addition of several new conveyors and to increase the annual production rate. There would be physical construction. Regulated air contaminants emitted by this source would increase. Mr. Y. Aleali is the assigned Division person.

For the Wilson County “*Lebanon Democrat*”, August 8, 2018

---

The applicant is The Pictsweet Company with a mailing address of P.O. Box 119, Bells, TN 38006. They seek to obtain air contaminant permits (Division identification numbers: 17-0036-01/974364 & 02/974365) for modification of an existing natural gas-fired Cleaver Brooks Steam Boiler (Boiler #3, 600 HP) and installation of a temporary natural gas-fired boiler. The existing boiler (Source 01) will be modified to replace the current burners with low-NO<sub>x</sub> burners. The temporary boiler (Source 02) will be equipped with low-NO<sub>x</sub> burners. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. Abbas Yavari is the assigned Division person.

For the Crockett County “The Crockett County Times”-- August 9, 2018.

---

The applicant is Tate & Lyle Ingredients Americas LLC with a mailing address of 198 Blair Bend Drive, Loudon, TN 37774-9499. They seek to obtain an air contaminant permit (Division identification number: 53-0081-03/ 74410) for the addition to the wetmill/ feedhouse area of a sulfur burner, molten sulfur storage tank, and a sulfur dioxide absorption tower located at the same address. There would be physical construction. Regulated air contaminants (sulfur dioxide and volatile organic compounds) emitted by this source will increase. The existing millhouse scrubber will be used for pollution control. Mr. John Trimmer is the assigned Division person.

For the Loudon County “News-Herald” -- August 8, 2018.

---

The applicant is Team Technologies, Inc. with a mailing address of 5949 Commerce Blvd., Morristown, TN 37814. They seek to obtain an air contaminant permit (Division identification number: 32-0314-02/974390) for construction of a Nail Polish Brush Manufacturing Operation located on 5949 Commerce Blvd., Morristown, TN 37814. This proposed operation consists of equipment that assembles, trims, buffs, lacquers, and dries cosmetic brushes for nail polishing. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. R. Benjamin is the assigned Division person.

For the Hamblen County "Citizen Tribune"-- August 9, 2018.
